charity@studioescrow.com

Studio Escrow is licensed and regulated by California's department of business oversight (DBO). The company provides a full suite of escrow services to the professional real estate community and direct to the public. The company is bonded by the EAFC which is similar to the insurance provided by the FDIC. Our escrow officers are held to the highest standards and have the most extensive level of experience to handle the most complex and high volume of escrow transactions in the industry.
